

IT'S **YOUR HALL,
VIEW THE LATEST DESIGNS AND
HAVE YOUR SAY AT AN OPEN MEETING
ON 11TH AUGUST 10.30a.m. - 3.45p.m.
IN THE COMMUNITY CENTRE**

a sandwich lunch will be provided

Our architects Reiach & Hall have taken your feedback on board. Starting from a blank sheet of paper, they have worked up several new design concepts for us to consider. They will be presenting these, including some 3-D animations, next Saturday.

The meeting will follow our usual format of an open meeting combined with a break out session. It is a very important stage in the design of the new Community Centre and your input is both welcome and vital in helping our architects to develop the final design. We'd like to see as many of you there as possible.

User Group Representatives

Once the design has been finalised and detailed plans take shape, it will be even more important that we continue to keep you informed and that we listen to your feedback. To assist in this, several people have agreed to make themselves available to answer questions and take note of the concerns of members of the User Groups they belong to.
